Before we proceed

Colour the house given below.

We need a house to live in. A house keeps us safe from heat, cold, storm and rain. It also keeps us safe from wild animals and thieves. All the members of a family live together in the house.

Teacher's Tip

Discuss the importance of having a home and keeping it neat and clean.

We feel safe and comfortable at home.

Houses are made of different materials.

Some houses are made of mud and straw. They are called *kachcha houses*.

Some houses are made of bricks and cement. They are called *pucca houses*.

Kachcha house

Pucca house

Some houses have these rooms.

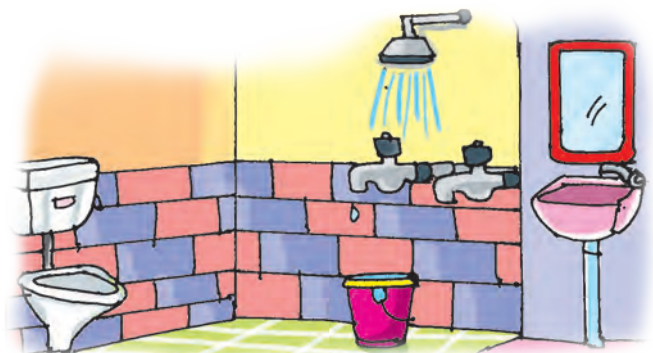

Living room

Bedroom

Kitchen

Bathroom

Dining room

Study room

Name the rooms in your house.

.....

**FACTUM**  
*Rashtrapati Bhawan is the largest residential house in India.*

Which is your favourite room in the house ? .....

What do you do there ? .....

A house should be kept clean.

It should be airy and sunny. It should have many doors and windows. We should keep the windows open in the day time to let in sunlight and fresh air.
