In this lesson, we shall learn about :

- ▣ The parts of our body
- ▣ Our sense organs

New Words

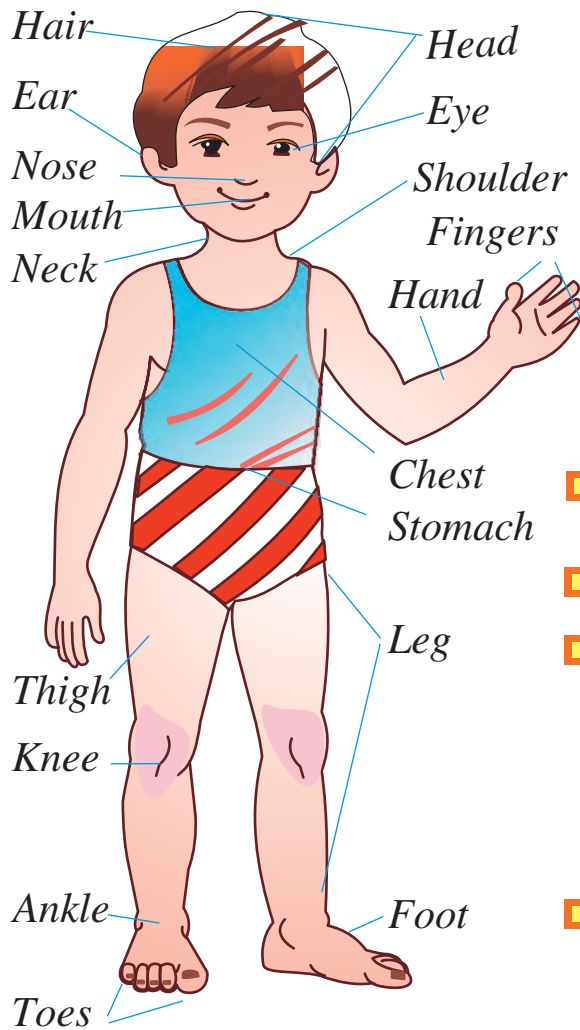

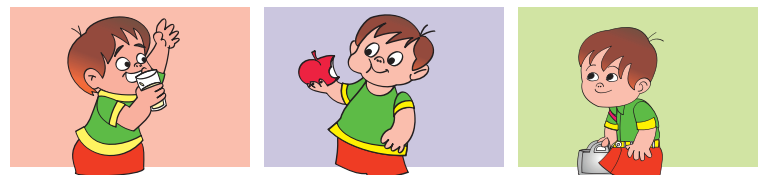

sense, organs, tongue, thigh, ankle

My body has many parts:

- ▣ We do different works with different body parts.
- ▣ Each part of our body has a name.
- ▣ We run, walk and jump with our legs.

- ▣ We hold things with our hands.

Activity

◆ Write any 3 things you can do with your hands.

1. _____
2. _____
3. _____

□ Sense Organs

We have **five sense organs**. Eyes, nose, ears, tongue and skin are our sense organs. They help us in different activities.

Our sense organs help us to **know the things around us**.

We see with our eyes.

We smell with our nose.

We taste with our tongue.

We hear with our ears.

We feel with our skin.

□ Activity

What do you like to smell ? Tick (✓) the right picture:

□ Remember

- ◆ Our sense organs are very useful.
- ◆ They are the most important parts in our body.
