In this lesson, we shall learn about :

- A family
- Small family
- Big family
- Joint family

New Words

parents, joint family, care, respect

All of us live in a family. **Father, mother** and **children** make a family. Some families are **small**. Some families are **big**.

Small family

Big family

Paste a photograph
of your family here.

Small Family: A small family consists of parents and one or two children. Small family is a happy family.

Big Family: A big family consists of father, mother and more than two children. Sometimes grandparents also make a family big.

Activity

What are our father and mother together called ?

Remember

Everyone of us is a part of the family.

Joint Family: A joint family consists of parents, grandparents, children, uncle, aunt and their children. A joint family is a very big family. It has many members.

Activity

Is your family a small or a big family or a joint family ?

All the members of a family live together. Parents take care of their children. Children love and respect their parents and grandparents.
