Fun With The Family

Before we proceed

Name any four games that you play with your family members.

1.
2.
3.
4.

Members of a family spend time with one another. They do many things together. In a family, we help each other.

Teacher's Tip

Make the children understand the importance of happy family. Spending time with family members and taking care of one another in the family bring happiness to the family.

Family members love each other and care for each other.

Family members spend nice time together in the house.

The members of a family go for outings.

We celebrate birthdays with our family members and friends.

When is your birthday ?

.....

We have a lot of fun at weddings in our family.

Have you attended a wedding ?

.....

We celebrate festivals with our family.

Which festival did you celebrate recently ?

.....

A family that likes to spend time together is a happy family.

Friends

Friends together make a special kind of family.

FACTUM

India is known as the Land of Festivals.

We have lots of fun with our friends. We like to spend time with them.

We play with our friends in the park. We share our play things with them.

We have some other kinds of friends too.

Special toys are like our friends.

Books are our good friends.

Our pets are our friends too.

It's great to have good friends.

I now know ...

- ◆ Members of a family spend time with one another.
- ◆ They help each other.
- ◆ They go for outings.
- ◆ They celebrate birthdays, weddings and festivals together.
- ◆ We have a lot of fun with our friends too.
