LESSON
PART 2

Before we proceed**Read and learn this poem.**

Thank you God for my friends,
And my family.
I thank you God for lot of things,
And especially for me!!
For trees and sunshine all around,
For rains to help plants grow.
And thank you God for loving me.

All people are created by the same God – the Almighty. God loves alike all the people in the world. We call God by different names and pray at different places. We see many places of worship in our neighbourhood. People go to different places to worship.
