## LESSON-4

## DOMESTIC ANIMALS

### BEFORE WE PROCEED :

- ◆ *Why do people keep some animals in their homes ?*
- ◆ *What are those animals called ?*
- ◆ *Where do we get eggs from ?*

### SAY ALOUD :

- ◆ cheese
- ◆ health
- ◆ woollen
- ◆ woven
- ◆ threads
- ◆ obtained
- ◆ silkworm

### LET US FIND OUT ABOUT VARIOUS DOMESTIC ANIMALS

We have learnt about wild animals. Let us now discuss some domestic animals. Domestic animals are harmless. We take care of them. Such animals help us in many ways. We get many things from them.

Cows, buffaloes and goats give us milk.

◆ *Cow*

◆ *Buffalo*

◆ *Goat*

Many useful products like curd, butter, cheese, ice-cream, etc. are made from milk. Milk is good for health.

◆ *Milk*

◆ *Curd*

◆ *Cheese*

### REMEMBER

Milk is a good source of calcium in our body. Growing children must drink three glasses of milk every day.

We get eggs from hens and ducks. Some of us eat eggs. Some of us eat the flesh of goat, chick and fish.

★ *Meat*

★ *Fish*

★ *Eggs*

★ *Hen*

★ *Duck*

We get wool from sheep. Wool is used to make woollen clothes. We wear woollen clothes in winter. They keep us warm. We get silk from silkworm. Silkworm weaves a thread around its body. These threads are woven to make silk cloth. Honey is obtained from honey bees.

★ *Honey*

★ *Silkworm*

★ *Sheep*

★ *Camel*

★ *Donkey*

Some animals such as donkeys, elephants, camels and horses are used to carry our loads.

### GATHER TO DISCUSS

Note the names of your friends who have pets at home. Take time to visit them and take pictures of those pets and write their names.

★ *Cat*

★ *Dog*
