In this lesson, we shall learn about :

- ▣ People who help us in many ways
- ▣ People with different professions

▣ *New Words*

chemist, earthen, electrical, parcels, law and order, traffic

We do many activities daily. But we cannot do all our works ourselves. We need the help of many people for those works. Different people do **different kinds of works** for us. They make our life easy and comfortable. They are our community **helpers**.

▣ **Remember**

No one can do all kinds of works. So, we need the help of other people in our day to day life.

Some people sell things:

A **green-grocer** sells vegetables.

A **cloth merchant** sells clothes.

A **chemist** sells medicines.

A **shop-keeper** sells many things.

green-grocer

chemist

cloth merchant

shop-keeper

Activity

What things do you buy from a shop ?

Some people make things for us:

A **carpenter** makes furniture.

A **tailor** stitches our clothes.

A **potter** makes earthen pots.

A **mason** builds our houses.

carpenter

potter

tailor

mason

Activity

Write the names of 4 things made by a carpenter in your classroom.

1. _____ 2. _____ 3. _____ 4. _____

Some people mend things for us:

A **cobbler** mends our shoes.

A **plumber** repairs water pipes.

An **electrician** fits and repairs electrical things.

Some other important persons are :

A **farmer** grows foodgrains and vegetables.

A **teacher** teaches in the school.

A **doctor** treats us when we fall sick.

A **nurse** looks after a patient.

A **barber** cuts our hair.

A **postman** brings our letters and parcels.

A **washerman** washes our clothes.

A **painter** paints the houses.

A **policeman** maintains law and order in the city.

Activity

Who looks after the traffic on the road ?

THINGS TO REMEMBER

1. We need the help of many people for our daily work.
